

## IOSH Managing Safely V5.0 Lesson Plan

### Who is this course aimed at?

Managers and supervisors from any sector or organisation who have to manage risk, people or resources.

### Level:

Basic knowledge of Health and Safety and under-standing of the English language

### Course Requisites:

None – Workbooks are provided. We use animated presentations and interactive DVDs linked to real life scenarios

### Duration:

Total course time of 22 hours, including assessments, delivered over 3-4 working days.

### LEARNING AIMS:

- To give managers and supervisors an understanding of everyone's safety and health responsibilities in the workplace
- To enable managers and supervisors to recognise how they can influence, control and monitor risk to improve safety and health issues in the workplace.

### LEARNING OUTCOMES:

Course attendees will be able to:

- 1 Describe the key reasons to manage safety and health in the workplace
- 2 Define the key terms relating to safety and health.
- 3 Identify how the law can have an impact on safety and health in the workplace
- 4 Describe how to assess, reduce and control risk in the workplace
- 5 Identify workplace hazards and risks, their impact and how to manage them
- 6 Identify how to evaluate and respond to an incident
- 7 List the benefits and characteristics of a health & safety management system
- 8 Describe the principles that underpin good safety and health performance

### 3 DAY COURSE CONTENT:

Day 1

**Module 1:** Introducing Managing Safely

**Module 2:** Assessing Risks

**Module 3:** Controlling Risks (start)

Day 2

**Module 3:** Controlling Risks (completion)

**Module 4:** Understanding Your Responsibilities

**Module 5:** Understanding Hazards

Day 3

**Module 6:** Investigating Incidents

**Module 7:** Measuring Performance

**Exam:** Multi-Choice Assessment Paper

Within 2 weeks of completing this course delegates must carry out a practical application of their learning for assessment: *This will be a workplace risk assessment using either the standard IOSH form or their own company form.*

All delegates who attend the full duration of the course, and successfully complete the written and practical assessments, will be awarded an IOSH Managing Safety Certificate.

**Dates:** Availability by request. Visit our website [www.morganhss.co.uk](http://www.morganhss.co.uk) to obtain further information or to book a course directly.

**Venue:** Morgan HSS can deliver our IOSH courses Face-to-Face or Virtually using Zoom technology. If you require further information regarding any of courses, we will be delighted to assist you and welcome all enquiries.

**Your trainer:**
